Belg 6162086-97 - THE PHANTOM. A super breeding male bred by Flor Vervoort of Belgium - one of the greatest fanciers of all time. I've been good friends with Flor for over the past 15 years and I can honestly say that his family of Hofkens and Olympiade pigeons were among the best that I've ever raced. Flor built his family around a legendary bird called OLIEMAN - a pigeon that raced during the same time as the Janssen Bros. famous "019". Results never lie - the OLIEMAN had faster speeds than the "019" and would have beat his 18 wins most of the time if both clubs would have combined their results. Fanciers watched and recorded these great races flown between the Famous "019" and the OLIEMAN. Many top lofts were made with offspring from the OLIEMAN including Louie Van Hove, Frons Verheyen and Flor Vervoort - all breeders of Olympiade birds representing Belgium against the rest of the world.

I visited FLor in August 2002 and had the pick of his breeding loft. I selected THE PHANTOM for my breeding loft. He is a medium size, strong body. A masterpiece with fantastic rich dark red eyes, bred around Olympiade winners and ace pigeons.

NL 1446525-98 - THE NATURAL. Here is one of the greatest breeders EVER to come to America. He is in the same class as: Champion 969, Golden Mattens, Continental Class, Topo Rocket, President - all super breeders that made a huge impact here in America. THE NATURAL is that Good !!!

When I was searching to only the super one's I kept hearing Why hasn't Ganus bought THE NATURAL?" They would say, THE NATURAL is probably one of the best breeders ever in all of Holland. He is the backbone to the CREATOR family !"

THE NATURAL is father to:
* DAWN OF CREATION - mother to CREATOR
* MEMORIES - mother to 15 different foundation breeders
*GOLDEN BULL - winner of 10th National Blois, 350 miles vs 71,450 birds. Also father to several 1st prize winners.

THE NATURAL has 7 generations of race winners behind him including BLEUS LE MANS winning 5th National Le Mans vs. 120,000 birds at 350 miles. THE NATURAL is one of the most beautiful, strongest bodied, richest eyes, keenest racing pigeons and best breeders that I have ever handled. He is really that good
