SUPER EXCITING NEW STOCK HEN!

Bred for stock out of our famous "DUAL PURPOSE" when mated to his own half-sister.
This hen is so perfect in every way that we decided not to race her but put to stock directly - this does not happen often at our loft. Her full brother was raced and he is a double winner and Union/ Combine Winner for us.
We mated her to two cocks in the 2024/5 breeding season and her babies areamongst the best we bred this year.
