1st Olympic Champion Bird of the Entire World
Long Distance

1st Olympic Champion of All Holland Long Distance

AVIATOR had the most points also to be the 1st Middle Distance Olympic Ace of All Holland but a champion bird can only win one Olympic award per Olympiad. So they chose to put AVIATOR in the long distance class where he became the 1st Olympic Champion of the Entire World. There were over 500,000 fanciers competing. Bird fanciers were watching him come home week after week, under every kind of weather possible.
