Introduction

It is my pleasure to offer for the first time, a collection of three top young birds hand picked out of my very best genetics. Over the last three years, Pandy Lofts has acquired some of the top winning genetics in South Africa - particularly in the Western Cape, South Africa. These include birds from Gigi Gaddin, Joop Knoop, Dickie Pretorius and the late Saville Penkin.

I am now offering some of the off – spring to fanciers seeking **proven** winning genetics.

The three birds are all relatives of **Mix – 2018 South African Million Dollar winner by 18 minutes** as well as the very best Western Cape - South Africa distance birds of ace racing pigeon fanciers Joop Knoop and Dickie Pretorius.

Super Crack II (cock featured on the cover sheet – **full uncle to Mix**) is the sire of one of the hens (242) and the grand – sire of the other two birds (245 and 257). The other two birds are bred off a son of Super Crack II (the son is called Super Crack Junior) mated to his dam – these two are super in – bred birds featuring ace long distance genetics!

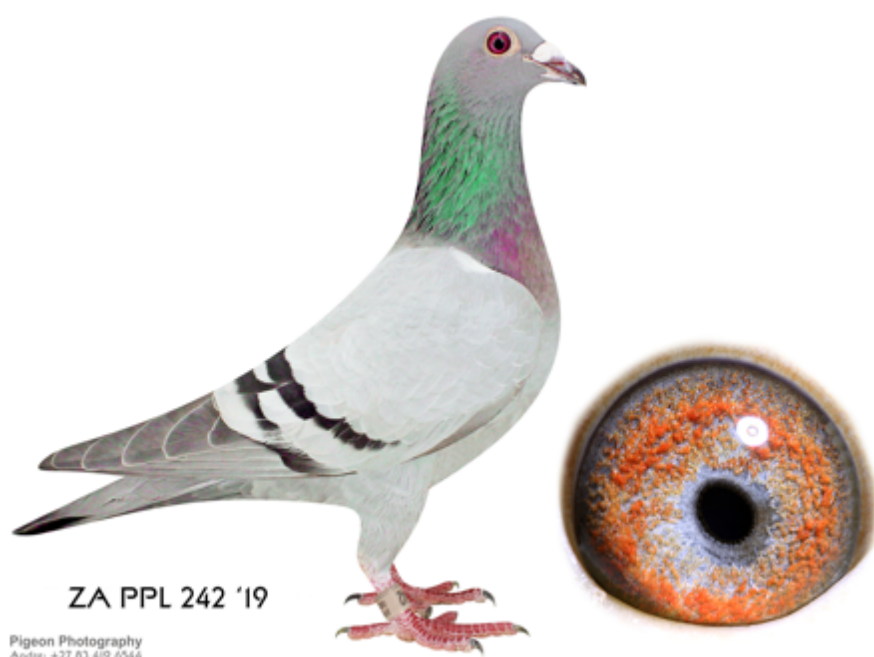

Lot number one - ZA 2019 PPL 242 – Janssen, Crusson, Fabry, Powell Putterie, Koopman

Blue Bar hen with pearl eyes. A super handler with silky soft feathers, well balanced with a very calm temperament. A medium sized bird.

Sire (Super Crack II) is uncle to Mix, and related to 2 Carnival City winners. In addition, 242's sire is an ace pigeon Western Cape – scoring 10 times in the first 50 of the South Western Pigeon Combine – 2200 birds – his details are contained in this portfolio).

Dam is 0124, A Western Cape Pigeon Transport Association (WCPTA) winner on Springfontein 780 km by 13 minutes – only 9 birds on the day versus 3064 birds! 0124's dam is a breeder of many winners and has **Koopman and inbred Powel Putterie genetics**.

The Story Line

One of the most exceptional racing and breeding pigeons in the Western Cape, South Africa in the last few years. As a yearling and two-year old raced against the highest levels of competition. After 2 years of racing was deemed to valuable to race further and was put to stock.

As a breeder is the sire and grand sire of multiple winners against a very competitive set.

A bird with exquisite balance and strength with proven winning genetics.

His offspring are a must have for the serious pigeon enthusiast and have already proven their worth for multiple fanciers.

Genetic winning line

Super Crack II is related to two internationally famous birds:

1. Super Crack (F457421-68 F) a French bird which won 3 Nationals – 1st National St Vincent, 1st National Barcelona, 1st National Narbonne.
2. “Mix” winner of the South African Million Dollar Race 2018. Super Crack Junior is the uncle of Mix (Sire of Mix is Boeing Doring 1 - the half – brother of Super Crack II).

Super Crack II ‘s performance

Scored 10 times in the top 50 of the Southern Western Pigeon Combine (SWPC) – Western Cape South Africa, against an average of 2500 birds and 140 members. (Would have scored 11 times but was disqualified in his first race due to his ring year not complying with the SWPC race rules). He scored fourth on three occasions, sixth, thirteenth, twenty third, twenty fourth, on 2 occasions thirty fourth, thirty-eight and forty second. The South Western Combine Combine is part of the Western Cape Pigeon Transport Association (WCPTA) where an average of of 400 members and 6500 birds (at the time that Super Crack II raced).

This bird was officially recognized as the best bird WCPTA in 2013 – all distances (middle, short and long).

This is some of his 2013 results on the WCPTA truck:

- 6th Victoria West - 5054 pigeons
- 9th Hanover - 1036 pigeons
- 12th Beaufort West – 6315 pigeons
- 21st Beaufort West – 6303 pigeons
- 50th Beaufort West – 6283 pigeons
- 64th Beaufort West - 5555 pigeons
- 75th Britstown – 4254 pigeons

Offspring of Super Crack (only top positions selected)

- 1st Victoria West Open - SWPC– 850 birds; 7th WCPTA Truck 2919 birds
- 2nd Kimberly SWPC -2200 birds; 8th WCPTA Truck 3970 birds

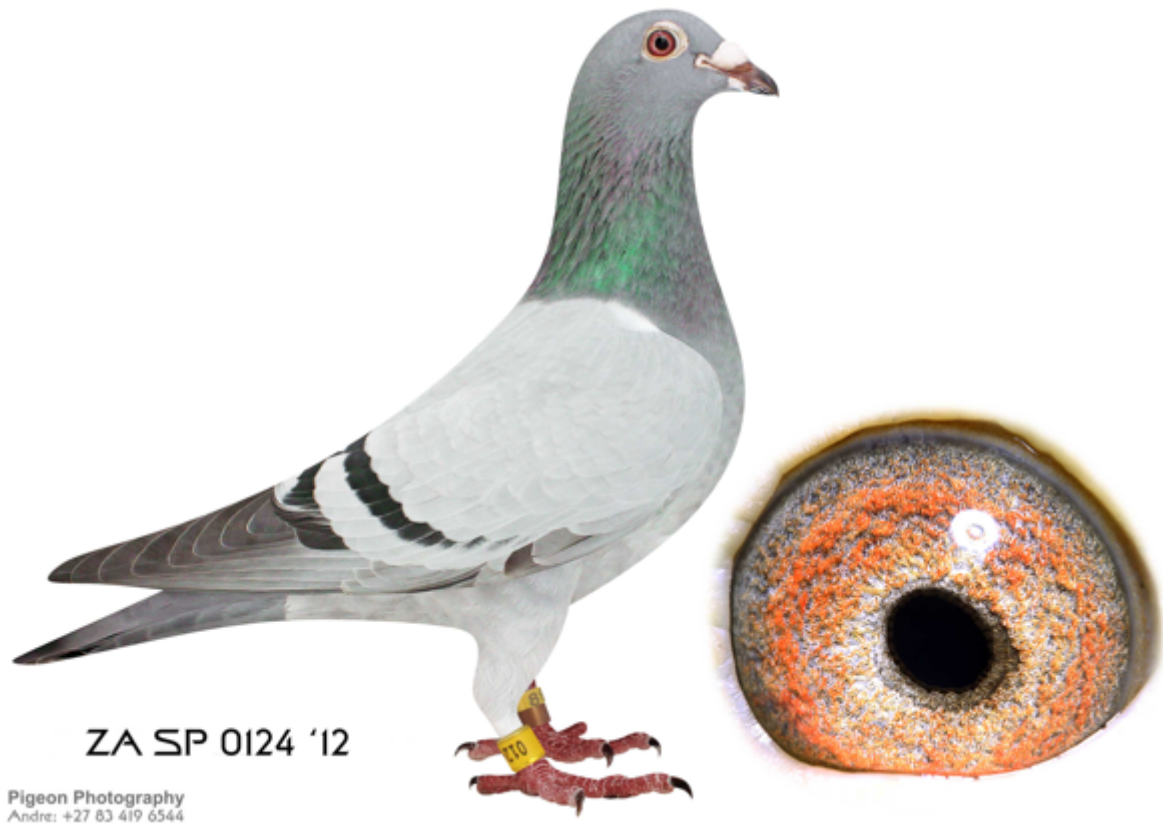

Abridged Pedigree

Sire – Super Crack II

Aces Bosman ZA 06 – 34700. 35th SAMDPR in 2007. Aces Bosman is grandfather to Mix – million-dollar winner. Also sire to Carnival City winners.

Dam – Super Crack II

ZA 06 – 48247 (Her sire is DV 05001 -03 - 64 – Pieces of eight - 28th SAMDPR – George Oswald bred this bird and has Van Loon bloodline). Her dam is DV – 07768 -04- 614 – 44th SAMDPR – Timo Wagner.

This is 0124 – dam of 242

The story line

This hen is an exceptional middle to long distance racing birds and has proven to be a bird with exceptional homing instinct. She was always “in the clock”. A perfect bird in the hand.

Genetic winning line

She is bred off the Powell Putterie crossed with the Koopman birds. Her near relatives have recorded many wins for Dickie Pretorius.

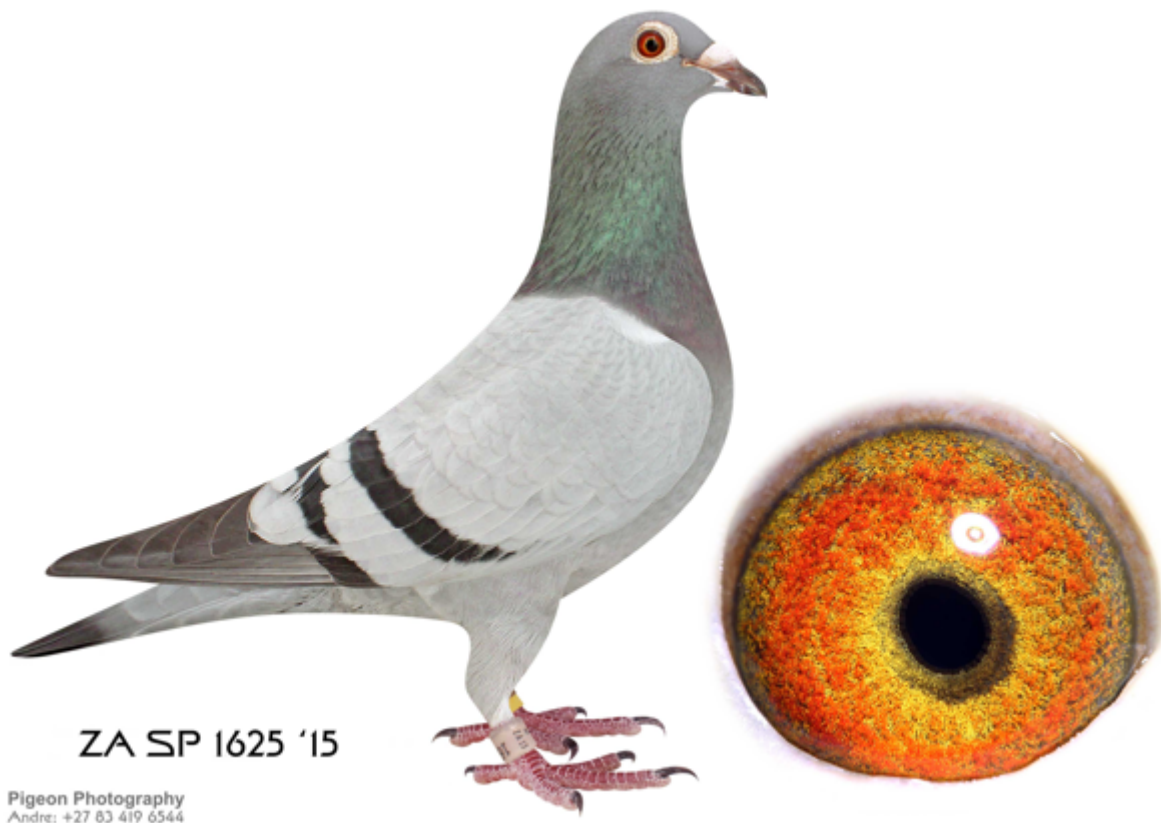

This is some of 0124's results on the WCPTA truck:

- 1st Springfontein – 3064 birds
- 31st Victoria West – 5407 birds
- 122nd Beaufort West – 5555 birds
- 131st Beaufort West – 6045 birds
- 135th Britstown – 6143 birds

Abridged pedigree

Sire is an in – bred 39' Powell Putterie
Dam is a Koopman

This is Isabella II – dam of 245 and 257

The story line

This bird's genetics is all about classic distance racing from 600 to 1000 km. Isabella II is the off-spring of the very best birds of top racing aces Joop Knoop and Dickie Pretorius who both dominated the races in the Western Cape region for many years. Isabella II carries the best of the Janssen an "39" bloodline in her pedigree.

Note: both **Isabella II** and her dam (Isabella) are truck winners (Western Cape Pigeon Transport Association – WCPTA). Isabella won the truck on Victoria West (500km) by more than 6 minutes and she was twice third place on the truck. **Isabella II** won the Truck on Leeu - Gamka versus 5330 birds and 350 fanciers.

She has a long lean body with a fantastic wing to match – the genetics of a true long distance champion!

1625 is a true champion and her off – spring will undoubtedly carry the best genetics for any fancier who would like to get a head start on long -distance birds.

Genetic winning line

The dam of **Isabella II**, is Isabella (NRHU 2009 6192), which was probably one of the best long distance birds in Knoop's loft. Isabella herself is a long distance champion and was twice third bird on the WCPTA truck, as well as a truck winner in 2010 as a yearling on Victoria West versus 4095 birds.

Isabella's results as follows: (seven times top 50)

2010 – ninth best bird overall WCPTA – 330 plus members, with an average of 4000 birds per week.

1st WCPTA Truck – Victoria West 4095 birds
17th WCPTA Truck – Victoria West 4774 birds
46th WCPTA Truck – Beaufort West 3047 birds

2011

3rd WCPTA Truck - Colesburg 4004 birds
3rd WCPTA Truck – Springfontein 4181 birds
39th WCPTA Truck – Kimberly 4167 birds
47th WCPTA Truck – Britstown 3397 birds

Won the truck on Victoria West versus 4095 birds –beats the second bird by 6 minutes and 6 seconds.

She was not only an ace racer but an ace breeder as well.

Isabella is a standout gold medal winner - long distance! Her sire is Danny boy – Knoop's best breeding cock (out of his Wegge Janssen family). Her dam is also ex Dicky Pretorius' Powell Putteries.

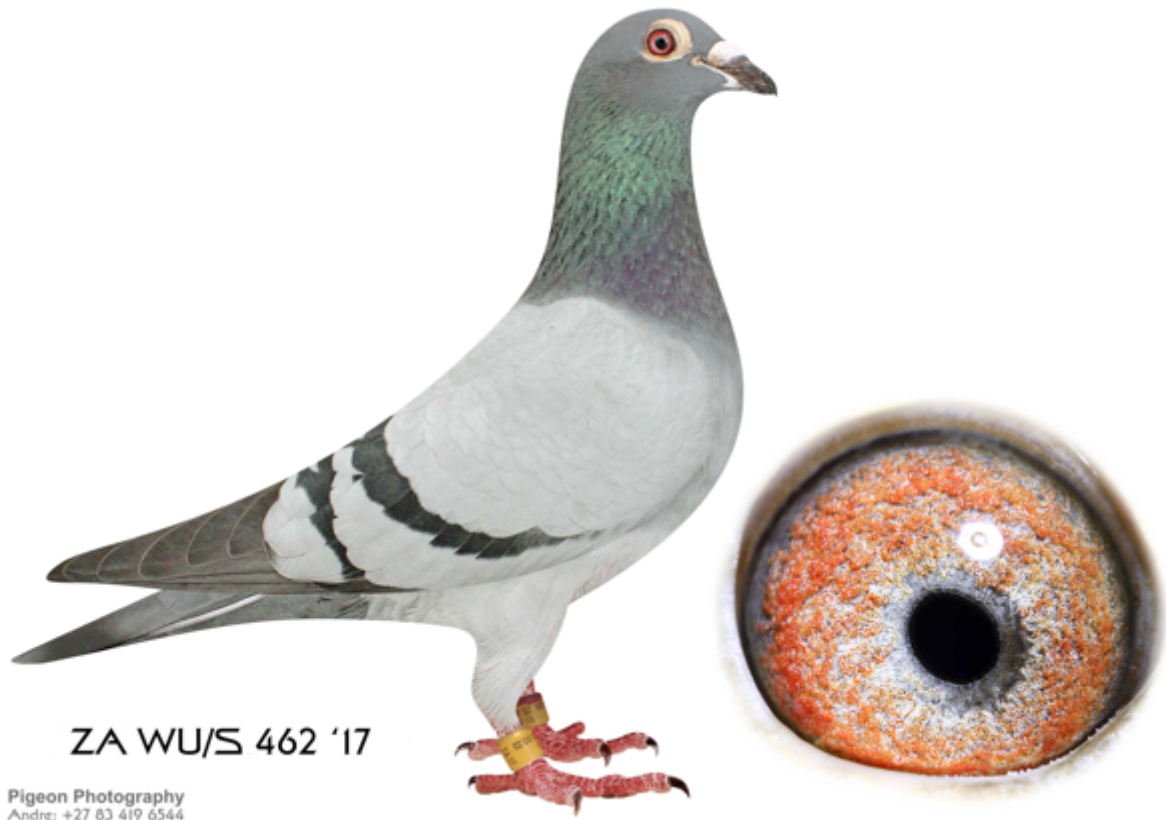

Isabella II's achievements

1st WCPTA Truck - Leeu – Gamka 5330 birds
61st WCPTA Truck – Springfontein 3222 birds
128th WCPTA Truck – Britstown 4063 birds
194 WCPTA Truck – Victoria West 5639 birds

Abridged Pedigree

Janssen, Powel Putterie

*All results can be validated on <http://www.wcpigeon.co.za/>

This is Super Crack Junior sire of 245 and 257

The story line

This bird is related to multiple ace pigeons and includes being a full cousin of Mix – SAMDPR 2018 winner by 18 minutes! In addition, he is related to two WCPTA truck winners (his dam and grand-dam). His sire is the uncle to Mix and the half brother to Boeing Doring 1 – father of Mix.

His sire is also a distant relative of Super Crack, a French ace pigeon who won 3 nationals.

He was bred exclusively for stock.

Genetic Winning line

His sire, Super Crack II is an ace pigeon scoring 10 times in the top 50 of the competitive South Western Pigeon Combine (SWPC). Very few pigeons have ever achieved this type of performance.

Here are some of his sire's results on the WCPTA truck:

- 6th Victoria West - 5054 pigeons
- 9th Hanover - 1036 pigeons
- 12th Beaufort West – 6315 pigeons
- 21st Beaufort West – 6303 pigeons
- 50th Beaufort West – 6283 pigeons
- 64th Beaufort West - 5555 pigeons
- 75th Britstown – 4254 pigeons

Super Crack Junior is a full cousin to Mix – South African Million Dollar Pigeon Race winner 2018. He has multiple relatives who are top racing pigeons in the Western Cape.

His dam Isabella II and grand dam Isabella are both – WCPTA truck winners.

His Dam – Isabella's II performance

- 1st WCPTA Truck - Leeu – Gamka 5330 birds
- 61st WCPTA Truck – Springfontein 3222 birds
- 128th WCPTA Truck – Britstown 4063 birds
- 194 WCPTA Truck – Victoria West 5639 birds

His pedigree is packed with winning genetics. For the 2020 South African Million Dollar Pigeon Race 3 of his brothers and sisters have been entered.

Abridged Pedigree

Sire: Janssen/Crusson/Fabry/Powell Putterie
