**Congratulations to all the fanciers in the top 20 positions!!!**

To our ace pigeons winners the Boshoffs from Pretoria: Well done Tinus and Danie! Another great performance by the partnership from Pretoria!!

As I am writing this I realize just how many great names is in the top 20 of the final race as well as the top 20 in the averages, this is the who's who of pigeon racing in South Africa it seems!!!

Brilliant performances from all!

We hope to see all of you plus a few more back for the new season in 2016! I have included the new rules please have a good look at them and remember the lofts are open so you can start to send the new babies now!!!!

If you did not enter your pigeon for the R200 nomination race and wish to enter it as an old bird @R800 per pigeon please advise us urgently as we need to take them out of further races and training.

Regards to all
