RACE RESULTS FOR TRAINING RACES 10, 11 & 12.

This is my fourth International Press Release and it follows my earlier three International Press Releases which contained all the race results for Training Races 1 to 9. All of these races were from 45km (28 miles) and 62km (39 miles) and the pigeons gained great experience from this early road work.

LIVESTREAM was up and running for TRAINING RACE 10, which took place on Saturday 23rd November 2019 and the 2,676 pigeons were liberated all together from KOPPIES at 07.10 from 62km (39 miles) in fine and clear conditions with a moderate head wind, with a temperature of 23c (74f) and a good steady race was anticipated. This total was made up by 2,250 International pigeons, which included 194 pigeons from the United Kingdom and 50 pigeons from Ireland, plus 426 pigeons from the host country South Africa. The Hold-Back List showed 22 pigeons were held back and this included one from the United Kingdom and none from Ireland.

I logged on bright and early to watch the pigeons return to the race loft and it was a beautiful morning in South Africa and they were having some trouble with Livestream because of internet connectivity problems and just as the pigeons were due to arrive at 8am, the live coverage went down. So I quickly logged onto the Result Section and followed it from there. When I watched the replay the first batch of about 40 pigeons arrived bang on line at 08.00 and then all of a sudden more gangs of pigeons approached the loft at and swung round the loft and were then immediately joined by another similar sized group, they all landed and then started to trap and as usual it was the first through the traps was the winner. Within a few minutes literally hundreds had returned home and all looked good for excellent race and good returns.

You can of course follow all the progress of what is happening on the SAMDPR Website www.samdpr.com

Of course, one of the main reasons for the success of this great race is the extremely professional way it has been run from the start and that they have always paid out all of their projected prize money every year since the race first started way back in 1997 and that is why it is now known the world over "AS THE BIGGEST AND GREATEST PIGEON RACE IN THE WORLD" and has been now been tagged as "THE RACE WITH THE PROVEN TRACK RECORD" and "THE OLYMPIC GAMES IN THE PIGEON WORLD".

Numerous "Loft Reports", "Updates", "Photographs" and "Videos" have been placed on the informative SAMDPR website for all to see and these are all available now on the dedicated website www.samdpr.com You can also follow the SAMDPR on Facebook, with constant updates and short videos to view.

Although the race is now named THE SOUTH AFRICAN MILLION DOLLAR PIGEON RACE, the total to be paid out in cash and prizes in the 2019/20 race series exceeds US\$1.55 Million American Dollars or approximately £1.29 Million Pounds Sterling. No other one-loft race in the world today can boast of such massive pay outs and this race is now in its twenty-fourth year and has for the last twenty-three years paid out all of its projected prize money, that is why its reputation of this great race has increased, plus it has already paid out in the last twenty-three races, prize money in excess of US\$43 Million American Dollars (£30 Million Pounds Sterling), which is a remarkable achievement in itself in one loft racing and one that the race organisers are very proud of. It should also be mentioned that the Prize Money and Awards in THE 24th SOUTH AFRICAN MILLION DOLLAR PIGEON RACE will be the slightly more than paid out for THE 23rd SAMDPR. The FINAL RACE PRIZE MONEY in The 24th SAMDPR now exceeds US\$1.20 Million American Dollars or around £1 Million Pounds Sterling.

*****SPECIAL ANNOUNCEMENT***** I am sorry that I can't add all the information about who bred all the pigeons or where they live because I do not have access to all this information so I can only publish details which I am in possession of at the time. If there are no details besides your winning pigeon/s then please contact me on reglofts@aol.com with your details and I will include these in my later International Press Reports. I personally do my best to give all the fanciers, entrants and breeders all the credit they and their pigeons deserve when they manage to get in the results so your help in this matter will be greatly appreciated.

For the first few races numerous pigeons of course will not trap, so do not worry if yours is clocked late. The main thing to consider over the first few shorter races is that all the pigeons will not trap quickly but if they have made it back to the race loft on Heron Banks Golf & River Estate they are there to fight another day. With each race the pigeons will learn a bit more, giving them more experience to tackle all the tasks that they are going to have in front of them during the testing 2019/20 training and race series.

All Training Races, Hot Spot Races and The Final Race will now count towards The 24th South African Million Dollar Overall ACE PIGEON Averages, which has a total of three superb cash prizes of US\$25,500 (approx. £21,250), US\$15,000 (approx. £12,500) and US\$10,000 (approx. £8,333) for 1st, 2nd and 3rd in this category after The Final Race has been completed. This actually is a massive increase on the pay out over previous SAMDP Races.

NOMINATION RACES will be held and officially start on TRAINING RACE 1, plus the HOT SPOT 1, 2, 3, 4 and 5 and of course the FINAL RACE. See the SAMDPR Website for full details. All these races will have US\$1, US\$2, US\$5, US\$10, US\$20, US\$50 & US\$100 COUNTRY/REGIONAL and US\$1, US\$2, US\$5, US\$10, US\$20, US\$50 & US\$100 GLOBAL NOMINATIONS which can be placed on THE SOUTH AFRICAN MILLION DOLLAR Web Site. If you wish to enter any of these NOMINATIONS, you will have to have credit in your ASI Master Account. If you do not have any credit in your own personal Air Sport Account then please forward funds to your Country Race Co-ordinator/Shipper so that this can then be transferred to your Master Account in time to get your NOMINATIONS placed. Please do not leave it to the last minute to transfer funds as the transfer may not go through in time and this could result in your pigeon or pigeons not winning what they should be rewarded with.

It should be mentioned that GLOBAL & COUNTRY/REGIONAL NOMINATIONS during the 2015/16 race series actually paid out a staggering total of US\$546,280 (£437,000). This sum also increased during the 2017/18 race series. Once again during the 2018/19 race series the sum paid out exceeded the previous year, which again just goes to show that fanciers just love to have a gamble on the race.

GOOD LUCK TO ALL CONCERNED AND REGULAR "INTERNATIONAL PRESS RELEASES", "NEWSLETTERS" AND "UPDATES" WILL BE SENT OUT TO ALL COMPETITORS/ENTRANTS AND SYNDICATE SHAREHOLDERS ON A WEEKLY BASIS BY EMAIL OVER THE NEXT FEW MONTHS. ALSO WEEKLY "PRESS RELEASES" WILL BE SENT OUT TO BOTH OUR TWO PIGEON PUBLICATIONS NAMELY THE "BRITISH HOMING WORLD" AND "THE RACING PIGEON" PLUS IT WILL ALSO BE ON MY REGENCY LOFTS WEB SITE www.regencylofts.com FOR ALL TO VIEW.

This is the "TWENTY-FOURTH YEAR" since this great International One Loft Race started and every year since day one the Organising Committee have created new competitions and I assume that this year will be no exception, more on this subject will be published as details come through from the race organisers.

*****SPECIAL NOTIFICATION***** One point that should be pointed out to all competitors and entrants is that only your NUMBER 1 pigeons is "ACTIVATED" (FULLY PAID UP ENTRY). If of course you entered a "TEAM OF 4" and you lost your first 3 pigeons, your fourth pigeon would then be your "ACTIVATED PIGEON". If you were unlucky enough to lose all your 4 pigeons in any of your "TEAMS" and they had won no "Special Prize Money" in the new HOT SPOT 1, 2, 3, 4 & 5 then you are entitled to a "FREE ENTRY" into the 25th SAMDPR and all you have to pay is the official shipping and export costs to your Country Co-ordinator/Shipper. This offer can only be actioned once, for example if you lost your team in your first year, you would get a "Free Entry" the following year but then if you lost all your pigeons in that year, the "Free Entry" offer then does not count. This of course represents great value for your money. All the pigeons go to every training toss, Mid-Week and Saturday races providing they are fit enough but can only compete for any of the allocated PRIZE MONEY or SPECIAL AWARDS in the 5 x HOT SPOT RACES if they are "ACTIVATED" and that means that these must be paid for prior to the HOT SPOT RACE 1, which is due to take place on SATURDAY 7th DECEMBER 2019 from 165km (approx. 103 miles). The cost to "ACTIVATE" these "RESERVES or BACK-UP PIGEONS" is US\$1,100 (approx. £880) (THIS OF COURSE MAY CHANGE SLIGHTLY DEPENDING ON CURRENCY EXCHANGE RATE AT THE TIME OF ACTIVATION) but that will then entitle all these fully paid up pigeons (ACTIVATED) to compete and be eligible to fly for all the extra cash prizes and special awards that amounts to over US\$318,000 (approx. £265,000). The one thing to remember is that once your reserve pigeon or pigeons are fully paid for, if then they get lost and have won no Prize Money or Special Awards in the Special Money Races, then you will get US\$1,000 paid back into your ASI Account, which can then be used to purchase another pigeon at a later date and be entered into The Final Race under your name or syndicate or even under another name of your choice. So as you can see it is "BETTER TO BE SAFE THAN SORRY" and pay for them early, after all you have nothing to lose.

HOW MANY OTHER ONE LOFT PIGEON RACES IN THE WORLD OFFER THIS SORT OF OPTION TO COMPETITORS AND ENTRANTS?

The COUNTRY CHALLENGE ACE PIGEON, all countries participating will be given a US\$200 (£167) starting Prize Money and US\$40 (£33) from each Country Challenge entry fee goes to the "WINNER TAKES ALL" cash prize, which will be awarded to the first Country Challenge pigeon which is clocked in THE SOUTH AFRICAN MILLION DOLLAR PIGEON FINAL RACE. The pigeon that wins this award will be named the COUNTRY CHALLENGE ACE PIGEON. It should also be mentioned that during the 2016/17 race series the UNITED KINGDOM COUNTRY CHALLENGE paid out £14,777 in PRIZE MONEY. Then in the "FINAL RACE" on the 1st February 2020 there are also 10 magnificent gold pendants to be won worth well over US\$1,000 (£833) each and now over US\$1.20 Million American Dollars in Prize Money (£1 Million Pounds) and 300 cash prizes being on offer. These estimations are done at US\$1.20 to the Pound Sterling. This could of course change on the Final Race.

THE ZANDY MEYER MEMORIAL RACE & US\$1,000 (approx. £833) NOMINATION will also take place on the "FINAL RACE" and the winning will be A BRAND NEW MERCEDES BENZ SLK 555 MOTOR CAR, worth a staggering US\$85,000 (approx. £70,833). (ONLY "ACTIVATED" PIGEONS ARE ELIGIBLE TO COMPETE FOR ANY OF THESE SPECIAL CASH PRIZES OR AWARDS). This new competition was very well supported in its first year and had over 160 entries and was so successful that it also paid out a staggering 2nd prize of US\$54,000 cash. Do not miss this fantastic opportunity to win a fabulous new car. The 19th SAMDPR attracted about 140 entries and two staggering prizes were once again won by two worthy winners. The 20th SAMDPR attracted over 100 entries and the US\$85,000 (£68,000) was won by Lloyd & Kelly from the UK, who actually won 37th OPEN in the FINAL RACE. It was the first Activated pigeons and walked away with the top award. In The 21st SAMDPR Michael Mellor from Crewe was the runner-up for this prestigious award, with over 100 entries, which once again just goes to show that the UK pigeons will hold their own against the best pigeons in the world. In The 22nd SAMDPR, Karl Donnelly from Ireland won this fantastic prize, when his pigeon won 5th OPEN.

A total of US\$1.30 Million American Dollars (£1.08 Million Pounds Sterling) Prize Money will be paid out in this FINAL RACE.

Something else worth mentioning that seven brand new motor cars have been won by fanciers representing the United Kingdom Team in the last seven years, Richard Elliott/Robbie Prettejohn and Chris Gordon both won new motor cars during the 2005/6 race series and Paul & Dave McCarthy won one a new motor car during the 2006/7 series. During the 2011/12 race series fanciers from the UK won a staggering 3 x brand new motor cars and these were won by Nev & Angi Evans & Steve Cuthbert, Robert & Peter Montila and then Phil Bond. Alistair Hogg also won a brand new motor car during the 2017/18 race series. This in itself was an outstanding team performance. No other country has ever won three cars on the trot. Also an Irish fancier named John Nash also won a brand new motor car in the 2008/9 race series. I am very hopeful that somebody from the United Kingdom or Ireland will also win some of this newly allocated Prize Money in the 2019/20 race series. GOOD LUCK TO ALL COMPETITORS.

I can only apologise if I leave something or somebody out but I can assure everybody that I do my best to get as much information as possible to put into each of these international reports and give as much credit to those that deserve it.
