He has bred us numerous winners at the highest levels. This bloodline is becoming more and more difficult to obtain. He was fertile until the age of 16 years. What a legend.

Linebred to the T. Lock super pair R100 000 hen. Super Tom Lock blood. I raced her sparingly and she still scored 4 good positions in the club 2012. Club winner 2013. Good blood does not lie. Also a superb breeder of ace birds and winners.
