"Golden Musketeer"

Bred for our own stock shortly before we sold his sire "Concorde" for R138, 000 on Top Pigeon Auctions – only 4 babies bred this way never to be repeated again. All four are top class.

We mate "**Concorde**" ZA13 09981 with his full sister "**Silver Emblem**" ZA16 02836 to ensure we preserve the golden genes of this outstanding family.

All the hard work is done in selecting and combining the super genes.

A opportunity not to missed to acquire this young Cock to start building a solid proven foundation which will save the buyer endless trouble in finding such a classy cock that is immediately ready for breeding.
