LOT 23. Direct SUMO click pair. He is the last son that we could breed from the click pair. Half brother "GPU HEN". And boy did he not disappoint!! Double club winner. Union winner. Second combine in a race where he and a pigeon of Gys Louw broke away from the rest of the 8000 odd pigeons to win by minutes. This is as good as the original click pair babies come. He ended second best youngbird club and division. Scored 1,1,2,4,9
