LOT 48. Best middle distance pigeon Union 2018. Full brother to the GPU hen sold for R175 000. He is one of only four pigeons ever bred this way. A true banker. In his first year in the stock loft he immediately proved his worth by producing a double winner that also scored 3x TOP 15 UNION. This cock will produce many more ace pigeons and winners. This is a super star! Best youngbird club 2011. 2nd Best bird THU Youngbirds 2011. Mother to the famous "GPU HEN" that won 5 times, SANPO GOLD middle 2016. "88" is a hen that handles perfectly but she has a hard time laying - her first egg got stuck and had to be removed. Since then only few babies could be bred from her. She is out of Peet Hartman's best.
