L 2243718-04 - MIKE'S FIND. Always looking for the per that will breed tough, fast birds that will win 250 to 400 miles as a youngster. Also I need a bird at handles and shows his quality with a family tree so winning out of turn at these distances. MIKE'S FIND is one of the finds over the past couple of years. es, he's that good! When mated to GFL 794-08 they bred 5 winners in the past 2 years including the 209 Average Speed Winner in the Shasta Classic aces - 3rd Place (equal 1st) at 250 miles, 6th ace (equal 1st) at 250 miles. One of the click ratings for one loft winners.

MIKE'S FIND breeds a fast maturing bird that puts s all into his offspring. So far over the past couple f years he has not let me down. He will play a bigger art of my breeding program over the next several ars. The find that all of us serious fanciers are ooking for. This blood has done quite well for me.

* NL 1446525-98 - THE NATURAL. Here is one of the greatest breeders EVER to come to America. He is in the same class as: Champion 969, Golden Mattens, Continental Class, Topo Rocket, President - all super breeders that made a huge impact here in America. THE NATURAL is that Good !!!

When I was searching to only the super one's I kept hearing Why hasn't Ganus bought THE NATURAL?" They would say, THE NATURAL is probably one of the best breeders ever in all of Holland. He is the backbone to the CREATOR family !"

* THE NATURAL is father to:
* DAWN OF CREATION - mother to CREATOR
* MEMORIES - mother to 15 different foundation breeders
* GOLDEN BULL - winner of 10th National Blois, 350 miles vs 71,450 birds. Also father to several 1st prize winners.

THE NATURAL has 7 generations of race winners behind him including BLEUS LE MANS winning 5th National Le Mans vs. 120,000 birds at 350 miles. THE NATURAL is one of the most beautiful, strongest bodied, richest eyes, keenest racing pigeons and best breeders that I have ever handled. He is really that goo
