

**Lot 33: 10272/20 Mealy Hen**  
**'Mealy Klaas 72'**

**Great handling van Loon Janssen mealy hen. Half sister to super racers. This hen was bred for stock from the best van Loon x Alfons Klaas winning birds. Both the sire and dam bred super performers. This mealy hen will be a fantastic injection to any good family of pigeons.**

**Sire: 09127/13 Red C**

**"Red danger Janssen"**

**Bruggeman Janssen cock bred from the famous van Loon and "Merckx line" of the Janssen brothers. This cock was the best breeding son bred from the Bruggeman Janssen click pair. This red cock bred many winners and is a super star. His son 0154/18 mealy cock must be one of the best young cocks on the auction. His babies are all excellent breeders.**

**Dam: 0727/16 "Inbred Klaas Hen 27"**

**Inbred father x daughter direct of two excellent breeding Alfons Klaas imports. Great handling hen. Her first babies flew very well. This hen must be one of the best bred Alfons Klaas birds in the country. Her dam is considered to be the best Alfons Klaas hen in the Eastern Cape. She has bred numerous winners with different cocks. She is line bred to all the best birds of Alfons Klaas en inbred to ""Konstantin"" SCMDPR final winner.**
