This cock is an inbred Houben-Clausing. He is the brother to the cock Ben Steyn bought from me that bred him 20 winners. He also bred me winners when he was in the race loft. He flew positions in 2016 in Alberton Club 14th, 17th, 2x 18th, 2x 29th. I put him to stock after he bred me winners. I purchased the Dam on the SAMDPR sale in 2015. She bred me excellent babies.
