

**24951 ZA 14**

This Inbred hen was specially bred for stock. She has the best "SPRITZIE" genetics from Spritzie herself. The Sire bred me winners and is a son of Seabiscuit the SANPO Gold Medal winner over all distances that bred very good pigeons wherever they went. The Sire's mother is an inbred Spritzie which was a 2 x winner that became the mother of my Spritzie bloodline. The Dam is bred out of Reinhold Brichta's Hawks & Spritzie bloodline. I mated her to my 2 x winner Spritzie and her brother which bred my Gauteng Combine winner.
