She is a top breeder and all of her offspring show the potential in racing and breeding. She is the mother of the best middel distance pigeon in the GPU in 2017 and the 3rd best pigeon in GPU in 2018. Her sons also breed winners of which I put to stock. The grandfather of this hen is the brother of the SAMDPR "Never Say Die" and his grandfather is "Evert". The Dam's parens I mated to keep the winning genetics.
