Her 1st offspring was bred in my race loft, (CH Cock 5205, he became the Best Long Distance in the Gauteng Pigeon Union. He was a 2 x winner for me.) This hen is a top breeding hen in my loft. Excellent racer, best Short Distance bird in GPU. Flew 2nd in the Gauteng Prov. Combine with 7200 pigeons. She is a 4 x winner and, three 2nd places and two 3rd places. She has the best Kannibaal genetics in her. I bought the Sire on the SAMDPR auction. He is directly from Dirk van Dyck/Kannibaal bloodline and bred by Dirk van Dyck. The Dam is an inbred Kannibaal hen from the best Kannibaal breeding I have seen. This hen was bred to keep the Kannibaal genetics. Pigeon fanciers can't go wrong with this bloodline.
