

# José Ledesma

22 years looking for state of the art in pigeon sport!  
José Ledesma is known worldwide as the big man behind the world famous Derby Arona Tenerife One Loft Race ... however above all he is one of the most ambitious fanciers of Spain. He created a pigeon strain that excels on heavy battles overseas in very hard conditions. José created a team of die-hards that are amongst the toughest in international sport. And he wins with them on a continuing base!
