DV 2884-12-541 - ORNAT. 1<sup>st</sup> Place Car Average Winner 2012  
In the South Africa Million Dollar Races. Out of the 8000 plus  
birds entered in the race from 40 countries, no one bred a  
better bird competing in the car races. Ornat won:

- \* 61<sup>st</sup> Place Car Race #2 against 3,500 birds
- \* 22<sup>nd</sup> Place Car Race #3 against 3,338 birds
- \* 26<sup>th</sup> Place Car Race #4 against 3,299 birds
- \* 93<sup>rd</sup> Place Car Race #5 against 2,960 birds
- \* 103<sup>rd</sup> Place - Final Race - 553 km / 2,793 birds

ORNAT - one of the Big 5 of Africa that dominated the  
South Africa Million Dollar Races. He is the perfect  
racing pigeon - medium in size, super strong body,  
clever look and most important - he has race results  
that are second to none! Plus ORNAT's bloodline is  
completely bred from national winners - the bloodlines  
that win from 200 to 450 miles against the best blood  
in the world. I am sure that ORNAT will be one of my  
top breeders for many years to come. Now breeding  
here at Ganus Family Loft.

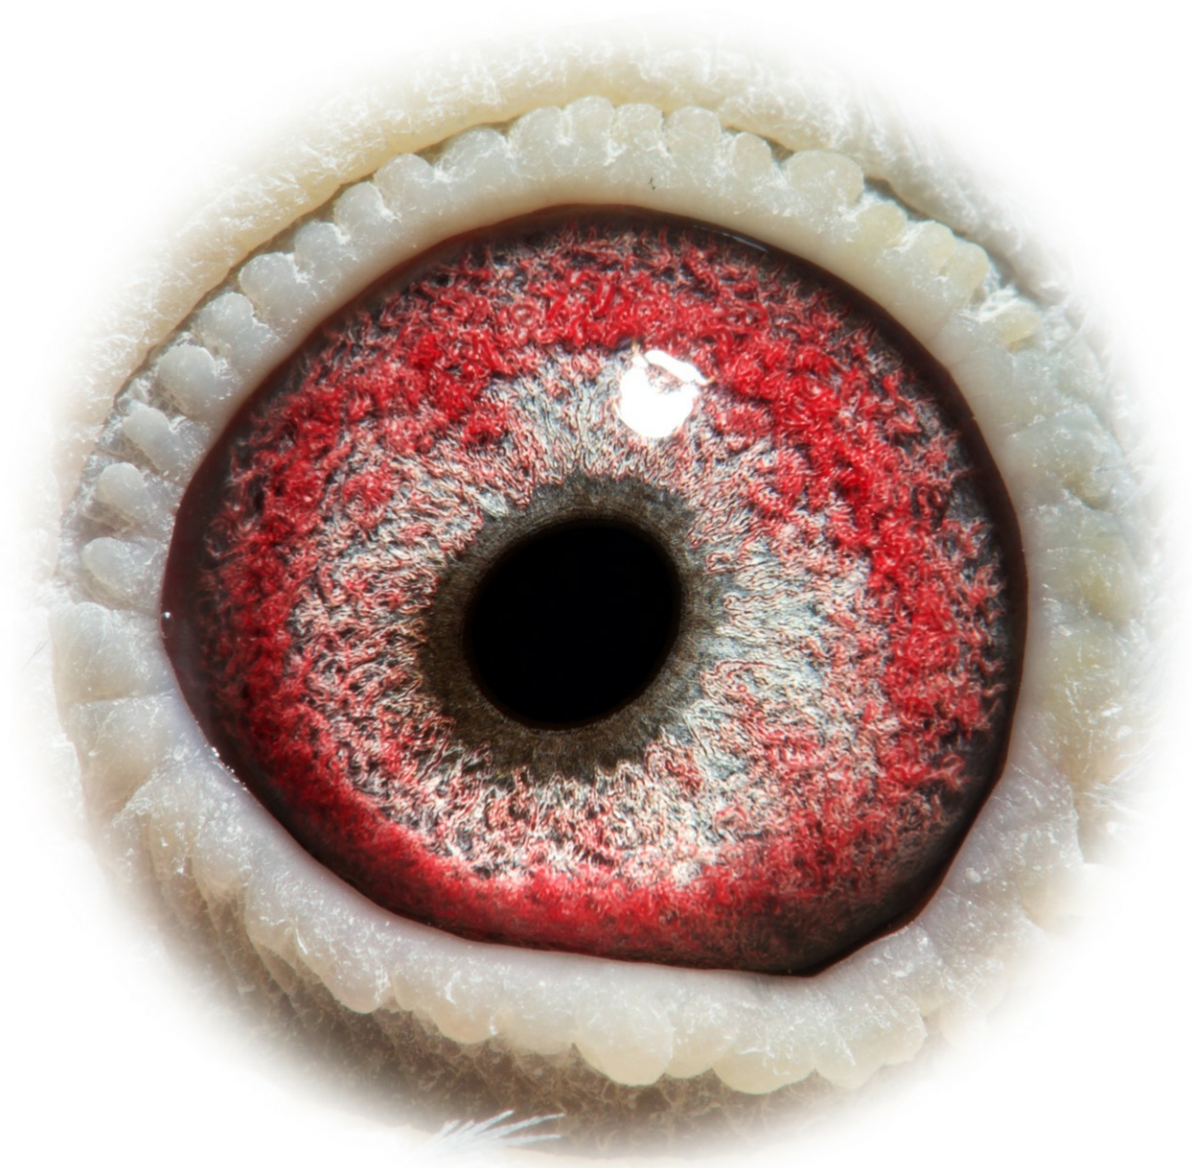

DV 8857-11-177 - SORAIA. 1<sup>st</sup> Place Knock Out Winner  
South Africa Million Dollar Races 2011. She also won:

- \* 19<sup>th</sup> Place Hot Spot Car Race #1 against 4,462 birds
- \* 34<sup>th</sup> Place Hot Spot Car Race #4 against 4,037 birds
- \* 16<sup>th</sup> Place Hot Spot Car Race #5 against 3,856 birds
- \* 36<sup>th</sup> Place - Final Race 578 km

The South Africa Million Dollar Races are flown in the  
direction with unfavorable headwinds, extreme high  
temperatures near 100 degrees, coupled with high  
humidity. It is not a flight for the average pigeon.  
With these race conditions only the best bred pigeons -  
smart pigeons - with the ability to race to win for more  
than 10 hours will be successful.

SORAIA, one of the Big 5 South African Million  
Dollar racers now breeding here at Ganus Family Loft.
