Original Pieter Veenstra

CHN17-0227000 Return Flojo, one of the very best SAMDPR participants of all time

As a brief introduction to Return Flojo, we go back to that memorable finale of the The South African Million Dollar Pigeon Race (SAMDPR) in February 2018. It was there that the chequered CHN17-0227000 Return Flojo joined the ranks of some of our sport's most legendary racing birds with the following top results:

- 1 Grand average ace pigeon SA Million Dollar Pigeon race 2018 *with a 2 hour and 16 minute lead (the biggest history in all of SAMDPR history)
- 2 Knock-Out ace pigeon SA Million Dollar Pigeon race 2018
- 14 Finale - 2627 p. / 521 km & 947 mpm
- 17 Hot Spot average ace pigeon SA Million Dollar race 2018
- 18 Hot Spot 4 - 2874 p. / 212 km & 1119 mpm
- 90 Hot Spot 5 - 2807 p. / 268 km & 1193 mpm

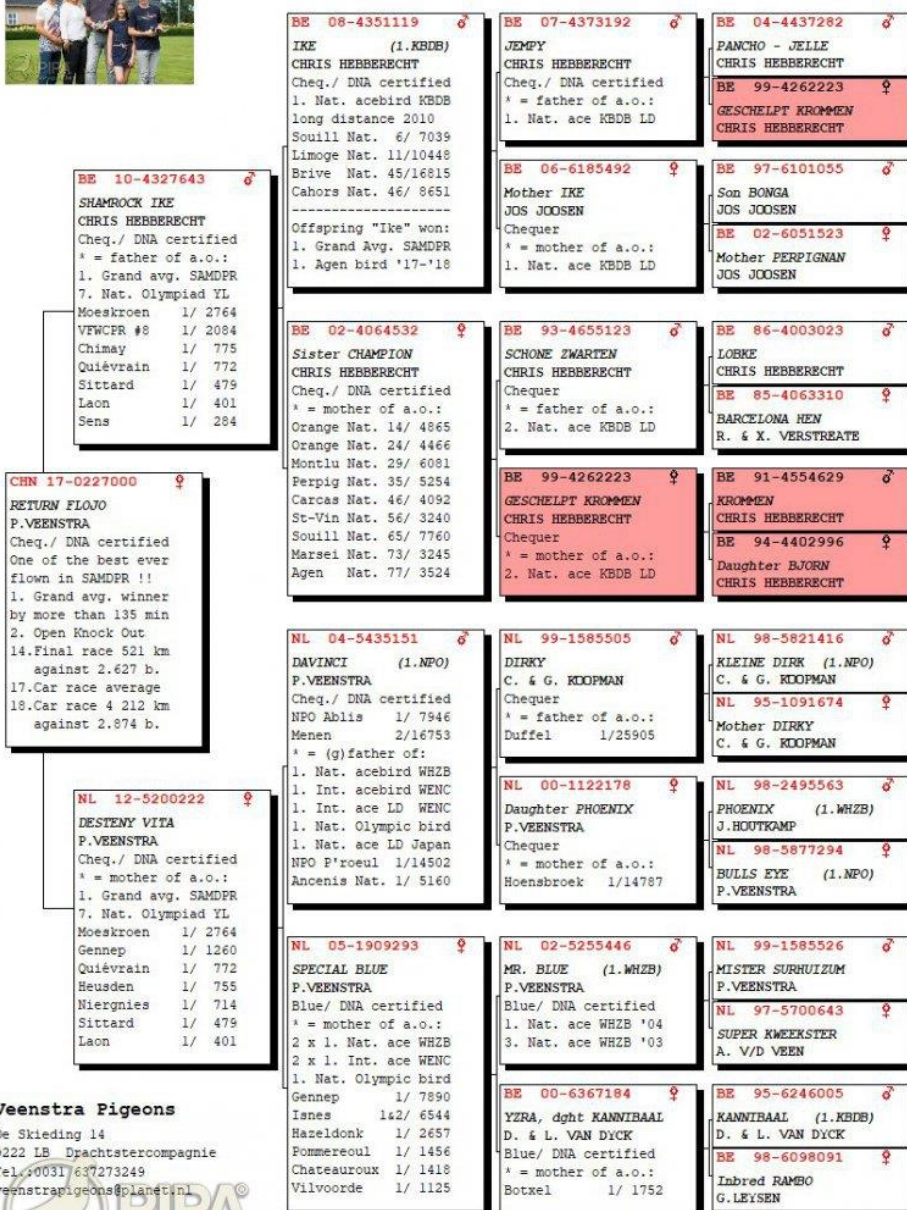

After this short but rather impressive racing career it was Pieter Veenstra who managed to get his hands on Return Flojo. She joined the breeding team in late 2018, where she bred her first youngsters in 2019, paired to some exceptional partners. All of these youngsters were destined to become breeders one day. 2020 was the first year in which descendants of Return Flojo were basketed for races, and her grandchildren have claimed victory three times in eight young birds' races.

1st Chalons of 1987 p. (and 2nd NPO of 6221 p.)
 1st Arlon 580 p. (19th NPO of 10530 p.)
 1st Sittard 975 p.

In the NPO race from Chalons en Champagne (of 6221 p.), grandchildren of Return Flojo finished in 13th, 24th, 38th, 42nd and 77th place. And they also won an 85th Burdinne of 10,362 p. and an 86th Venlo of 18,959 p. That sums up some of the best results of her descendants. And racing bird NL20-4214530 won a 2nd NPO Chalons. She is a daughter of Thomas-Flojo 725, which is in turn a daughter of Return Flojo. She was paired to DV01696-18-6 Thomas (winner of 1st final race Golden Algarve OLR 2018 of 2132 p.) as part of a joint breeding with Mike Ganus (Ganger, USA).
