**6 PAIRED TO JUNIOR
1 PAIRED TO TOP GUN**

This is our no 1 click pair. Junior is the other super breeder son of the Foundation Hen and a half brother to Top Gun. Gaddin is his click hen who was bred by Gigi Gaddin, which made an immediate impact crossed into our family. Together this pair has bred 6 Federation winners in just 3 years of breeding and their children have flown 52 times in the top 15 in the BPF. We have only ever entered 2 of their children into a one loft where they flew 5th Hotspot and 5th Final CPL 2018 against +-1300 birds. This formidable combination has contributed greatly to our success.

"KINGSLEA LOFTS"

Our foundation hen. Every bird bred in our loft last year had her blood in it and this year will be the same. Every Federation winner that we have ever bred has her blood in it. She was a fantastic racer and even better breeder, this is where it all started for us. Super hen!

This is TOP GUN one of 2 super breeder sons out of the Foundation Hen. He flew 1st, 4th, 5th Federation and many other high places. Since he was put to stock he has bred 6 Federation winners with 5 different hens as well as the SANPO BRONZE 2018. It is very rare that you get a cock that can breed champions with many different hens. This is one of our best stock cocks and one of the main reasons for our success.

3 FED 692 KM
9 FED 437 KM
17 FED 544 KM
26 FED 586 KM
(ONLY BASKETED 6 TIMES)

This is AIRHEART. She is one of the best birds we've ever had the privilege of racing. She is a direct child of TOP GUN and a grandchild of the FOUNDATION HEN. She was SANPO Bronze 2018. We only ever basketed her 6 times in her racing career before she was put to stock and in 5 of those 6 races she was within 1 min 51 sec of the Federation win, she never flew lower than 26th Federation and scored 4 times in the top 10. Distance and speed made no difference to this hen. She flew an equal Fed win on a 1226mps walking in 1 second behind a loft mate and a 2nd Fed on a 1590mps and flew top 10 Feds from 430km up to 760km. A truly remarkable hen!
