Performance Notes

Blue Cheq. Hen UK0070 ROYAL DESIRE, specially sent out to the 16th SCMDPR as a tribute to the late Carlo Napolitano who unfortunately died in May 2011 just before he was due to send his entries out to Sun City for the 16th SCMDPR. Carlo loved travelling to South Africa for the SCMDPR and was of course The Royal Loft Manager to Her Majesty The Queen and they were both great supporters of the SCMDPR for numerous years. Whoever buys this pigeon will I am sure will be able to get a full pedigree for this pigeon by contacting the new Royal Loft Manager. Royal Desire successfully completed Car Race Hot Spot 1, 2, 3, 4 & 5 in the 2011/12 race series and this will certainly be the last chance in South Africa to own a pigeon bred by this great fancier Carlo Napolitano who was also a fantastic ambassador of our great sport.
