ZA21 BDUD 1641

SEX: cock
FAMILY: 75% Mark Gilbert of UK, 25% Ralf Platt of Germany
COLOR: blue chequer pied
A fantastic Young Cock ready for pairing

A Full Brother to Hillcrest Spitzkop who was 5th place in the final race of carnival winter 2021, less than 2 minutes behind the winner, collecting a nice prize of R10,000. We just knew the extra distance is what was needed to bring this bird to the fore
Another full sibling was sent to the Eastern Cape OLR 2020, HS 1 5th beaten by 3 seconds, HS 4 7th, beaten by 2 seconds.

Bird is 75% Mark Gilbert of the UK (man wins national and internationals for fun) check on PIPA or Google, and 25% Ralf Platt of Germany.
Check the amount of National and International winners in the birds grandparents pedigree

Both parents were raced to Hillcrest (we only raced for 2 years) and both scored at Club and Federation Level, The Father was 4th best bird in the federation over 120 members.

The grandfather on the Dams side is SOUTHFIELD BONZO probably the best stock cock we have owned sire and grandsire to winners at club and federation level, as well as endless one loft performances, including 74th Open Mdpr, with a son, and the same year a grandson finished 234th, the only 2 birds we had in the race.

Please check the pedigree, you cannot find better bloodlines, the bird is proven, siblings are proven, and parents are proven.
