

Lot 43: 6503/18 BB W/F Cock
"Grandson Golddigger"

This is a strong robust handling cock bred from two of the best De Klak '1801" Janssen birds in the Eastern Cape. The sire was the nr 1 breeder for the late Tom Chalmers who only imported the best Janssens. The grandsire 'Golddigger 456/00' was one of the best birds they ever owned. The dam was a multiple winner on the North and East routes and a best bird. This is the best de Klak x '1801' line of birds you will find.

Sire: 29269/05
"Gold mine cock"

The best son of "Gold digger" super breeder and nr 1 cock of the Chalmers family. This De Klak Janssen cock is one of the best breeders ever.

Dam: 10581/13

Super racer and multiple winner also a best bird. She won on both the North and East route. Super hen ! This is the click hen to "Gold mine cock". All their children race well or breed winners.
