SLOV 107-5369-19 - MORNING STAR. Full brother to one of the Best South Africa Million Dollar Final Race Winners ever to race - NIGHT ANGEL (SLOV 107-5368-19) winning 1st Place by a 16 minute lead over the 2nd place finisher. With the high temperatures and head winds, the speed was slow - 802 meters per minute. It was a good working race for the 1,548 best pigeons from around the world. After 12 hours of flying, NIGHT ANGEL arrived to the loft by herself, as the daylight started to turn to evening. A total of 3 pigeons were capable of returning on the day of release. NIGHT ANGEL showed the world that she was the best of the best in one of the biggest one loft races in the world!

MORNING STAR along with his brothers and sisters are all unique - a class of their own - perfect in the hand and bred off a super breeding couple - ADAM and EVE. This a family of genetics that have proven themselves time and time again.

NIGHT ANGEL flew away from all her competition and landed here at Ganus Family Loft along with her parents and all her brothers and sisters. A sensational winning family!

DV 01696-18-6 - THOMAS 6. The golden future in racing pigeons. My prediction is THOMAS 6 will be the next super breeder here in America and around the world. THOMAS 6 credentials are superior to most winners in big one loft races. Here is the reason that I mentioned this - The Golden Algarve Race in Portugal is one of the top 5 one loft races in the world. When a pigeon wins this race then you know you have something special. THOMAS 6 not only won 1st in this race, he literally destroyed the race winning by 24 minutes against 2,132 birds from 315 miles.

ZASLIM 17-2697 - MIX. 1st Place Breakaway Winner by 18 minutes ahead of the 2nd place pigeon in the South Africa Million Dollar 2018 Final Race - 324 miles - 2627 pigeon - 1051 M/M. MIX won \$200,000 and is the record breaking price for a South Africa bred pigeon and also the highest price paid for a SAMDPR pigeon in South Africa. The only pigeon to sell for more than this was Mike Ganus's pigeon - LAURA IS A BIG WINNER TODAY (GFL 267-2015) which sold in the USA for \$100,000 USD. This is stated by the South Africa Million Dollar Race. The PIPA internet website has stated that Mike Ganus (GFL) owns the most impressive collection of SAMDPR winners in the world!
