DV 01696-18-6 - THOMAS 6. The golden future in racing pigeons. My prediction is THOMAS 6 will be the next super breeder here in America and around the world. THOMAS 6 credentials are superior to most winners in big one loft races. Here is the reason that I mentioned this - The Golden Algarve Race in Portugal is one of the top 5 one loft races in the world. When a pigeon wins this race then you know you have something special. THOMAS 6 not only won 1<sup>st</sup> in this race, he literally destroyed the race winning by 24 minutes against 2,132 birds from 315 miles.

DV 0849-14-141 - SANJAY 1. Winner of 1<sup>st</sup> Place South Africa Million Dollar Final Race 2014/2015 - 2,453 birds from 40 countries. Bred by Karl Heinz-Koch of Germany. SANJAY 1 is a strong, beautiful hen with the winning genes running through her veins.

DV 06306-18-368 - MARPLE. This is a super male. Winning 1<sup>st</sup> Place Final 2018/19 Victoria Falls World Challenge International One Loft Race from 387 miles against 1,482 pigeons on a hard Race, 85 degrees with head winds. The race was so hard that there were no day birds. MARPLE arrived 10 minutes after sunrise the following morning and won the race by 54 minutes! If he had 10 more minutes of day light on race day he would have been the only day bird. Also in the same race, the 8<sup>th</sup> place winner was of the same blood.

MARPLE's father is a grandson of ROMARIO (DV 3801-06-0338) - one of the top breeders in the world. Why do I say that? Because ROMARIO is also the grandfather to THOMAS 6 (DV 01696-18-6) - the 1<sup>st</sup> Place Golden Algarve Final Race Winner in 2018 winning by 24 minutes from 315 miles against 2,132 pigeons. Also in 2019 the 1<sup>st</sup> Place Golden Algarve Final Race Winner was also off a daughter of ROMARIO.

Belg 3181936-09 - WOLVERINE. The #1 bloodline for one loft races in the world! Over \$1,000,000 (ONE MILLION USD) has been won with WOLVERINE bloodline!! This family excels at 200 to 400 miles, head winds, hot weather, consistency.
