3/575KM FINAL SAPIR CHALLENGE 2022 EQUAL WINNER

Super performing hen. Unfortunately she was not allowed to compete in the Final because her team was still full as per the rules of the loft because she was coming into serious form and performing super!! She was entered into the Challenge Final where she duly obliged by being equal winner and walking 3rd over the trap, winning R30,000.

Her father is a direct son of Okutanrune who was 2nd Million Dollar Final (equal winner) and her mother is a FULL SISTER to the mother of Hooykit one of the two superstar pigeons for us at SAPIR and ending 2nd in the Grand Averages behind her teammate Arona Falls with a lead to the 3rd pigeon by 1 hour and 34 minutes!!!

This is a super hen and one of the best in the loft for the whole season. Do not miss this opportunity to buy a great pigeon who will become a super breeding hen. Okutanrune, Best Kittel, Blackforest, Kaasboer Heidi all in this super hen.
