NAME/ALIAS: CORONA

SEX: Hen

D.O.B: 2020-01-29

EYE INFO: (0)

Alias "CORONA"

Strain "Houben x Spritzzy"

Colour BB

This hen is special because i bred her for stock.

Her parents was sold and placed eggs which she was a hatchling of placed eggs.

She looks just like her grandma 24747/11 which won me Vic- Wes 800 km as a yearling in a open race and she won by 29 min the Pta Combine for me !!!
