192/575KM FINAL 2022 (ON THE DAY)

Pure Kaasboer. Bred from my super pair of Kaasboer pigeons Tornado and Little Heidi. The mother of Guava is the grandmother of the superstar Hooykit as well as other excellent performer Runner K. Although he did not race as well as other brothers and sisters, I guarantee that he will breed winners. This is one of the best Kaasboer pairs in South Africa!!
