AfrikaPro 2022 entry as part of The Big 5 team that also won the final race. Kwikkie was unfortunately lost after the very difficult first race and was only able to compete in the last 4 races and achieved 362, 368, 354 & 337 positions. Kwikkie comes from a family of Ace Birds in the biggest competition in RSA, namely the FBHU and this family has made significant contributions in me winning several championships including FBHU champion 2019 & 2021 (including All Race Champion both years).
