DV 05381-09-1388 - BLUE EYES. During my visit to Germany in 204 I was looking for a special male that has bred multiple race winners that won from 200 to 400 miles as a youngster. Very difficult to come across this type of breeder with the qualities that I must have for my breeding loft. I was told of a small loft in Hahnback Germany who had such a bird so off we went to handle him. BLUE EYES was handed to me to and I instantly knew I found what I came for. But then came the difficult part of making the deal. After a few hours BLUE EYES was in my car and we were heading to our hotel to enjoy a nice dinner and talk about BLUE EYES.

BLUE EYES is the 27th Ace Pigeon and father to several 1st place winners at distances up to 400 miles. His bloodline is incredible. Hermans Custers HET LAAT (Belg 6217775-03) mated to Dirk Van Dijck's famous KANNIBAAL (Belg 6246005-95). The pedigree is full of race winners and foundation breeders.

* NL 1231153-12 - UNTAMED DESERT. Winning 1st Place South Africa Million Dollar Race 2012. There were two birds that arrived together - UNTAMED DESERT along with SAID IN SPUN SILVER (DV 1219-12-0029). These two winning birds won over \$345,000 USD. They raced against 2,793 birds from 593 km with temperatures over 96 degrees and 100% humidity in the #1 pigeon race in the world.

* UNTAMED DESERT also won:
* 89th Place 344 km 3,290 bds Car Race #4
* 57th Place 380 km 2,960 bds Car Race #5

We all send off our very best breeders and none of us have bred a bird as good as UNTAMED DESERT or SAID IN SPUN SILVER. It is not easy when you're racing against the best birds from 40 different countries all being taken care of equally. If you believe in race results like I do then how could there be better birds than the ones that 1st and 2nd place in the #1 race in the world? With clear skies from 370 miles with light head winds the quality will rise to the top. Now breeding here at Ganus Family Loft.

Belg 4302271-12 - SCORPION. Bred for the longer distance races - with the genetic package that has produced foundation breeders time and time again. SCORPION's father is a full brother to CHAMPION (Belg 4094638-01) - winner of 2nd National Ace Long Distance All Belgium. SCORPION's mother is a daughter of AXL (Belg 4135895-03) who was 1st National Ace Long Distance All Belgium.

SCORPION is one of those special handling pigeons where the quality is dominantly shown when handled along with that clever look and rich dark red eyes. He has been mated with a different hen four years in a row and has produced top race birds in several one loft races.

Here are just a few top prizes won with children of SCORPION:

5th Place Final Race = 1st 300 miles Breeders Fall Classic One Loft Race

4th Place Final Race = 1st 357 miles Spring Break One Loft Race

3rd Champion Pigeon - Spring Break One Loft Races

SCORPION was bred for the distance and passes these long distance genes to his offspring - consistency and endurance

for top results during young bird racing from 200 to 400 miles.

The distance when racing really means something.
