WEBSTER

A super racer in the Border Homing Union, we bred this hen and asked our good friend Thinus Marais in East Londen to race her for us, she went on to win multiple club races and 4 union races. She bred winners for Thinus while still in the race loft and racing.

We brought her back to our stock loft in 2021 and bred her ourselves for the first time and she hasn't disappointed, only one late bred baby entered into Diaz1 OLR 2022 season that flew exceptionally. Dam to: "Wasabi" entered into Diaz1 OLR
