**STRAIN MAKER** The foundation breeder for Helmut Mann in Germany. Helmut built a family of winners off Strain Maker including the 2<sup>nd</sup> place winner in Carnival City, another one loft race in South Africa. STRAIN MAKER and Helmut became even more famous when STRAIN MAKER bred SAID IN SPUN SILVER (DV 1219-121-0029) - the 2<sup>nd</sup> Place Winner in The South Africa Million Dollar Race Final Race. There were two birds that arrived together in the final race. UNTAMED DESERT (NL 1231153-12) walked in first and seconds behind was SAID IN SPUN SILVER.

**SAID IN SPUN SILVER** also won 1<sup>st</sup> Knock Out Competition and 4<sup>th</sup> Grand Average Winner racing against 2,793 birds from 553 km in the final race with head winds and 95 degrees. Not an easy task under these race conditions.

**STRAIN MAKER** is one of those one in a million breeders that comes around once in a lifetime. This blood will change the pigeon racing sport here in America and around the world!

**HALOVER DIAMOND** - a full sister to DV 7164-13-270 - HALOVER. The 1<sup>st</sup> Place South Africa Million Dollar Final Race Winner. Flying 413 miles, 90 plus degrees, high humidity, head winds and 3478 birds competing. Only 53 birds returned on the day of release with the best young bird racers from the best fanciers of the world competing. HALOVER is a true champion.

When you first handle HALOVER your first thought is how soft her feathers are. Then you feel the super muscle, abundance of muscle, strong body with tight vents and eyes that dilate to a pin dot with the fight of a champion when you hold her in your hands.

HALOVER will be my next super breeder here at Ganus Family Loft that allow America the winning blood that it takes to win in the South Africa Million Dollar Final Race. She is a real super!
