Bred for stock out of the legend "PLATINUM JAN" Foundation Cock of our famous 911 line when mated to his own daughter the great "MISS BOND"

This hen's fullsister is a great racer for us. She was given to Paulus Family Loft in exchange for a sister that wasn't able to lay.

In her first year at stock she went on to produce Paulus Lofts 8th Final at Cape Town International 2023 on a murderous final with only 8 day birds from 470km.
