An excellent CATTRYSSE hen. Was my foundation hen. Kept a lot of her children to keep this family strong

n Baie spesiale hen vir my. Sy het n bitter mooi goue oog. 100% Cattrysse. Hierdie bloed raak skaars. Moenie die duif mis nie.

From the best bloodlines in my loft. This is one of my foundation breeding cocks to preserve the bloodline. This cock bred winners right through SA for many fanciers. He is a perfect specimen.
