The Story Line

One of the most exceptional racing and breeding pigeons in the Western Cape, South Africa in the last few years. As a yearling and two year – old raced against the highest levels of competition. After 2 years of racing was deemed to valuable to race further and was put to stock.

As a breeder is the sire and grand - sire of multiple winners.

A bird with exquisite balance and strength with proven winning genetics.

Genetic winning line

Super Crack II is related to two internationally famous birds:

1. Super Crack (F457421-68 F) a French bird which won 3 Nationals – 1st National St Vincent, 1st National Barcelona, 1st National Narbonne.
2. “Mix” winner of the South African Million Dollar Race 2018. Super Crack Junior is the uncle of Mix (Sire of Mix is Boeing Doring 1 - the half – brother of Super Crack II).

Super Crack II ‘s Performance

Scored 11 times in the top 50 of the Southern Western Pigeon Combine(SWPC) – Western Cape South Africa, against an average of 2500 birds and 140 members. (Would have scored 12 times but was disqualified in his first race due to his ring year not complying with the SWPC race rules). He scored fourth on three occasions, sixth,

thirteenth, twenty third, twenty fourth, on 2 occasions thirty fourth, thirty-eight and forty second. The South Western Combine Combine is part of the Western Cape Pigeon Transport Association (WCPTA) where an average of of 400 members and 6500 birds (at the time that Super Crack II raced).

This bird was officially recognized as the best bird WCPTA in 2013 – all distances (middle, short and long).

This is some of his 2013 results on the WCPTA truck:

6th Victoria West - 5054 pigeons
9th Hanover - 1036 pigeons
12th Beaufort West – 6315 pigeons
21st Beaufort West – 6303 pigeons
50th Beaufort West – 6283 pigeons
64th Beaufort West - 5555 pigeons
75th Britstown – 4254 pigeons

Offspring of Super Crack (only top positions selected)

1st Victoria West Open - SWPC– 850 birds; 7th WCPTA Truck 2919 birds
2nd Kimberly SWPC -2200 birds; 8th WCPTA Truck 3970 birds

During the 2018 season two of his offspring scored eight times in the first 200 on the WCPTA truck – average of 350 members and 4500 birds.
