\* BDW 450-21 - SAFARI. The equal winner - walked in 2nd - won 2nd Place Afrika Pro 2022 Final Race Winner. Winning \$100,000 USD.

\* This winning family is bred off the very best. SAFARI's sire and dam bred 4 - 1st Place winners in 2022!

With the genetics coming down from Gunter Prang's famous RINALOSE family with winners of 10 x 1st places in big competition. Coupled with the genetics of Koopman's super winning family of BARNE - many big winners were bred this way.

\* SAFARI has the look and the feel of a super breeding male along with the proven racing results of being equal 1st or 2nd in the clock from 600 km in one of the biggest one loft races in the world - the Afrika Pro Premier One Loft Race in South Africa.

\* SSPO 21-18003 - KARAYEL ACE. The winner of the Afrika Pro Race Blue Jacket Competition - awarded to the 1st Ace Pigeon 2022

\* KARAYEL won \$150,000 USD with prizes of:  
 5th - 39th - 44th - 5th - 55th - 84th - 17th - 46th  
 Racing 10 weeks in a row.

\* KARAYEL did not just win the the Blue Jacket Competition which is the Ace Pigeon average speed - KARAYEL blew away the best pigeons from around the world by 55 minutes!

\* This is not possible without the best winning genetics bred into KARAYEL. You have the best of Jan Hooymans with the HARRY blood along with Arie Dijkstra with the LEONARDO and TINKERBEL winning family. These winning families have bred winners across the world.

\* KARAYEL is one of those super hens that come around once in a lifetime. She is that special!
