

ZA FB 3206 '22

Blending sprint genetics of the Best Kittel family with the best genetics middle to long distance birds of the Cape has provided immediate results over the middle to greater middle distance and include WCPTA truck winners and multiple other positions WCPTA and FBHU. 3206 is one such bird with blended winning genetics.

SIRE

Joop Knoop "Wegge Janssen" ZA 299999 '20

This is a direct son off the famous Joop Knoop bird Danny Boy. He was never raced and was put to stock after being weaned. In his first year of breeding, he bred 3 of the best flying hens in the ZAEP stud:

- o 0606 (put to stock) 9th car averages FBHU
- o 0532 2nd Ace bird KHPU 28 members 400 birds), 2nd best bird SANPO (6 races)
- o 0531 5th Ace bird KNK (122 members 2200 birds) 4th Ace bird KHPU

DAM

ZA NRHU 0056 '20 Granddaughter Best Kittel

The Best Kittel family need no introduction they are the pre eminent sprint birds in many lofts worldwide. ZAEP invested in five grandchildren Best Kittel, and they had an immediate impact in the loft including Ace Pigeon PPL (2022/3) and multiple Federated Board of Homing Union top 100 results eventually finishing 6th overall sprint FBHU in 2022, and second overall KNK 122 members 2500 birds.

GRANDSIRE

"Danny Boy" ZA WYN 4363 '07

BE 4130204 '19 Inbred Son BK

In modern pigeon racing the absolute number 1 family for speed racing is the Best Kittel-dynasty. This family of birds is synonymous with winning and dominating of sprint races. Crossing them with the right middle to long distance winning genetics provides an immediate lift in any loft up to 600km.
