NAME: HILLCREST ESSEX
 SEX: unknown
 COLOR: blue bar
 Entered into the Carnival Gold Cup 2024, finished 24th Hot Spot 1 and 78th Final.

Check the pedigree on this guy, sire was bred for the late Paul Smith and is very similar bred to Fontwell Foxtrot Romeo. I purchased the cock as I wanted to preserve the best Koopman lines, namely birds such as Drum, Che, Tara etc and this cock had it all.

The Dam again is bred from my very best direct Mark Gilbert birds, and again carries some very good Koopman bloodlines, with drum being a heavy influence on both the sire and dams side.

 Purchased following the 2020 Million Dollar race, not only did this bird show consistency throughout the series, but possesses some of the very best bloodlines from the Crammond and Langstaff partnership. On the sires side not only is he inbred to "SPARTACUS" a 1st national winner, but also contains the same blood as "FONTWELL FOXTROT ROMEO" who is breeding fantastic one loft racers. On the dams side we see bloodlines from Crehan and O'Connor, Hans & Evert Eijerkamp, and birds which are very carefully bred around "DRUM" and the world famous "TIPS" and "CHE".
