NAME: HILLCREST ONLY ONE

 COLOR: blue cheq
 Entered into the Carnival Gold Cup 2024

20th Final Race winning R4000
 19th Ace Pigeon

Full sibling to HILLCREST MILLION who completed one of the toughest Diaz series to date. Race 5 finished 8th, only 9 seconds behind the winner.

In our humble opinion this bird contains some of the best distance blood Europe has to offer, I doubt there is much better on these shores at the present time. Sire is Mark Gilbert UK X George Carteus, and contains the best Euro-diamond lines, sire is a full Brother to SOUTHFIELD MELISSA. Dam is a full Combineate Verweij De Haan, via Team Erikson of Denmark. she is a granddaughter of MESSI and the world famous MILOS, if you are unaware of MILOS, take 2 minutes and google him.

As a footnote not only have SOUTHFIELD MELISSA & MILOS won National races, they have also bred National winners as well.

 NAME: Gillion
 SEX: cock
 COLOR: Blue Cheq
 Purchased from the 2019 Million Dollar Pigeon Race, Bred by Cyril & Dirk Martens.

The bird himself finished 295th in the grand averages, and scored 3 times in the top 130 in training races, taking into account the breeding I would suggest the series was not a tough enough test that particular year.

The sire to this bird "GILLES" was bred by Mark Gilbert of UK, he is a full brother to "SOUTHFIELD MELISSA" who was 1st International Agen 11,444 birds. Amazingly "SOUTHFIELD MELISSA" is already mother to a 1st and 2nd National winner, she is Grand-dam to 4 different National winners, talk about a bird to found a loft on. The sire to "GILLES" is a son of Brockkamps "MISTRAL" the dam to "GILLES" is a direct daughter of "EURO-DIAMOND"

 This hen was bred by Team Eriksson of Denmark, and purchased following the 2020 MDP, she finished 165th in the grand averages, and 418th in the final, she was clocked in every single flight and as the series progressed she really started to improve. Not only is she a superb handler and consistent racer in her own right, but both parents are direct from Comb Verweij de Haan, owners and breeders of the famous "MILOS" The sire is "MESSI JUNIOR" a son of "MESSI" when he was paired to his own mother "OLYMPIC HEINTJE", "MESSI" was 1st National 3151 birds, 1st National 2366 birds, and 2nd National 7655 birds, 12th National 10,331 birds. What a racer!!! The dam to "MISS MILOS" is a direct daughter from "MILOS" when he was paired back to one of his own daughters.
