OERF 15/11829 ♂

Tom Lock
BB

This cock is bred from the best and should produce. This is the last cock out of the pair to be sold. There were only two hens bred this way before and both bred organization winners in their first year. The one sold to Piet Coetzee and the other to OOA...

THU 07/22975 ♂

First baby flew 19th Allflight Final 2010. Son THU 14044 Ace bird middle distances in club also winner of 2012 Derby.

OERF 20/3805 ♀

Tom Lock/"810 Carelly"
BB

OERF 15/11829: Breeder Andre Reynders. Last cock bred to be sold. Only 2 bred this way. One sold to Piet Coetzee and other to Egbert O'Kelly (OOA Lofts). Both bred origination winners.
OERF 18/3201: Breeder Andre Reynders. Combination of Carcinoma & 810 Carelly Sablon

THU 08/10664 ♀

Most consistent stock hen next to her dam. Her first round produced "04973/09" 1st club, 1st Section & 1st Union 2011 and...

OERF 18/3201 ♀

"Combination" Sablon 810 Carelly
This must surely be one of the best "Sablon" matings around. She is the half sister to our foundation sire, "Carcinoma". To own the combined genes of the "810" and "Golden Carelly" must be very advantageous for any fancier. The result of planning...

ZA 08/24792 ♂

Sire "Carcinoma". Also g/sire & g/g/sire to many winners. Aces & hotspots winners. G/sire to the 2018 Vic Falls World...

GPU 12/12211 ♀

Inbred daughter of "Golden Carelly". Sire is one of the best Sablon breeders in SA. Dam to double winner Derby and Fed winner.
