 NAME: Farm Faster
 SEX: hen
 FAMILY: G & C Cooper
 COLOR: blue chequer
 This hen is probably the best bred pigeon I have
 ever owned!! How often do you find 3 different
 International winners as grandparents???
 Her sire is GB14N88862, he is a direct son of two
 international winners. He is bred from Farmer
 George X Wollongong, Farmer George was 1st
 International Bordeaux (516 miles) 10,611 birds,
 he won the international by a staggering 63
 minutes. The actual convoy was over 22,000 birds
 and he was 47 minutes in front of the second
 timed bird. In the same race he was 1st Section,
 1st open British International Championship Club.
 Wollongong his Dam was also 1st International,
 she won 1st International Pau (561) miles 8,576
 birds, she too won 1st West Section, 1st open
 British International Club.
