This was a fantastic inbred cock.  
He was bred in his birth year. We found him dead on the nest and fostered the baby OERF 04173/12. This became a star breeder of multiple distance winners.

Alias ""Fortuna""  
We were fortunate to have him in the stock loft. He is a very good breeder of middle to long distance racers and winners for various fanciers lucky enough to have them. His bloodline we have in abundance in our stock loft. He is sire to five x club and three times Federation winners. He unfortunately died.
