

## ZAHARA ZA FB 00966 '23

Winning genetics from four of the best pigeon families – SuperCrack, Golden Prince, Fabian, and the best of Joop Knoop.

The sire is an imported Belgian cock from Ace Barcelona specialist Frans Bungeneers and the dam is bred by Samuel lofts off Spartacus (bred by the ZAEP stud) when paired to a daughter of Golden Prince (Golden Prince was long distance Ace pigeon KDBD).

*Four of the best!*

**Winning genetics x 4 from SuperCrack, Fabian 37, Golden Prince and Joop Knoop – birds that fight to the end!**

### BE 6218337 '18

Fabian 37 was bred by Frans Bungeneers – multiple times golden wing winner for distance. Fabian 37's dam is inbred to Queen Tonny (1<sup>st</sup> National Barcelona) x her own son. Queen Tonny genetics appear multiple times in Fabian 37's pedigree.

In his very first time in the ZAEP stud he sired the bird that was 3<sup>rd</sup> averages in the very competitive Federated Board of Homing Unions. (3 of his direct children were in the top 50 averages).

See [www.pipa](http://www.pipa) for more information on Queen Tonny and Golden Prince.

### ZA SAMUEL LOFTS 023 '22

023 was bred off a cock purchased from the ZAEP stud named Spartacus – one of the best racers in the ZAEP stud – he immediately started producing results for Samuel Lofts.

**Her sire** Spartacus (his sire is SuperCrack – number one breeder at ZAEP). He has numerous brothers and sister who are also winners including his half-sister who was 4<sup>th</sup> best bird in the world FCI ranking. Spartacus' dam (0124) is a WCPTA truck winner by 13 minutes 700 plus km's.

**Her dam** (Belg 4238134 '18) is a direct daughter Golden Prince – one of the most expensive birds sold in the world. Golden Prince paired to Mother Prince Rudy – she bred fastest bird National Limoges 14 575p.
