This great hen is a real superstar and breeds winners mated to any good cock. She must be one of our best, if not THE best stock hens we own at the moment. Halfsister to 03281/15 dam to SANPO Gold medal winner. Dam to a truck winner in the Cape beating more than 10 000 birds. Every year she has bred one superstar. In 2021 she bred our 642km Derby winner, 4327/19 on a hot day flying away from the other birds in the strong Crusaders club. Her children excel from the first race at any velocity but prefer the middle to longer races.
