Pavarotti and his nestmate brother was bred and raced by myself in 2018 in the strong Crusaders club. They never won but as consistent inbetween the front racers as you can get. He is a Super handler and already showed a lot of promise as his daughter ZA 2019 18011 a late bred was the 2nd best short distance racer in the Union 2020 beaten by 6 points. She was however the best young bird over the short distance. What makes her performance so SUPER is the fact that she was so young when raced that she didnot even moulted one flight yet.
