

Background

The JJM Loft partnership was established in 2021 with Johnny Forbes (owner) and Jacques Pienaar (Loft manager).

When Johnny re-started with pigeons again in 2018 after a 30-year break, he spared no cost in acquiring the best pigeons that he could get his hands on. One of these purchases was 4x Direct Sons from the world-famous BEST KITTEL, and Direct Daughter from Junior and 4x Stefaan Lambrecht (Dirk van den Bulk) pigeons. These pigeons made an immediate impact on the loft and dominated our race results from 2022 to 2024. On request 2x Best Kittel sons were sold last year to Gerrit Veenstra (Netherlands). Johnny has now decided to make available the other 2x Best Kittel sons as well as the Stefaan Lambrecht pigeons. These pigeons were bought at a very high premium and therefore are being made available at a fixed price.

They have bred at least 20 Club winners in the last 3 years of racing and have been one of the main reasons behind the success of the JJM Lofts results.

We race in the very strong NRHU Union located in the Northern Suburbs of the Western Cape. The Union consists of between 80 and 85 active members with the numbers in each race varying from 1000 to 1500 birds entered per race.

2022 we entered 4 teams and finished 3rd, 4th, 7th and 9th Overall points.

2023 we entered 3 teams and finished 3rd, 4th, 9th Overall points.

2024 we entered 2 teams and finished 2nd and 4th Overall points.
