This fantastic baby cock is bred out of another one of our super exciting new acquisitions when mated to one of our best up-and-coming cocks.

The mother of this baby was bred by Gys Louw out of his famous foundation Bosua cock "LOT 7".

This hen was entered in the first Afrikapro Series held in 2022 where she flew 56th in the Final.

She quickly proved to be a great breeder by producing "VALYA 6" who won 6th BLUE JACKET and 10th BROWN JACKET as well as 15th Final Afrikapro 2024 for Rosen Dobrev, the winner of the prestigious Black Jacket.

Father of this baby is a superb young cock that has proven that he doesn't miss. In only 3 years he has produced 2 individual Combine Winners plus another 5 Club Winners and Top 1% Union performers
