ZA 25 TURFPET 962 is a medium to small hen with a perfect body .
Superb hen . She is bred from my top producing Best Kittel pair
namely " Best Kittel 606 " and " Best Kittel 1523 " . This pretty hen has
all the trademark features of the Best Kittel family , exceptional muscles
and some foxy looking feather legs cateracting down to her toe nails .
Three times linebred to Best Kittel . My summation of these Best Kittels
are : super cross material , resiliant , performing over all distances
and velocities pigeons .
