winning R135 000.00

Extremely bad weather conditions with very high gusting winds, rain, clouds and just an impossible day to fly. Birds flew 470km and had to fly around weather to fly 12 hours on the wing to get home.

Only 4 birds clocked on the day. Liberated 06:35 and she landed exactly the same time as the 1st pigeon, EQUAL DROP, clocking in at 18:34 58s exactly 12 hour flight & 12 minute gap to the next pigeon, a remarkable performance.
