

GPU 3342/19 Smokey Hen

'13 x 16 hen'

Linebred 13 x 16 Tom Lock x Toppie Jansen hen. Bred from all the super performers in this family. Most of the pairs offspring were top racers over any distance !

Small to medium sized beauty with soft silky feathers. This hen resembles all the attributes of this great family of pigeons. She will make a good pair if mated to 4036/18 also on auction.

This is one of the very last young hens out of the great foundation cock of the late Steven Dowd. She will make her mark in any top loft in the country. Quality like this are very scarce !
